

The Homes of Jagare Ridge

Estate Lot Landscape Requirements (Group A)

Sod

- Front and rear yard must be fully sodded.
- Seeding is NOT permitted.
- Synthetic turf may be used. See attached for further information.

Trees and Shrubs

- Two (2) trees must be planted in the front yard (assuming no utility conflicts).
- Two (2) trees must be planted in the rear yard.
- Trees must be a minimum 2" caliper.
- Twenty-one (21) shrubs, ornamental grasses and/or perennials must be planted in a contained bed in the front yard.
- In highly visible lots nine (9) shrubs, ornamental grasses and/or perennials must be planted in a contained bed in the rear yard.

Fencing

- Melcor will complete all rear yard fencing.
- Wood screen fence to be built out of cedar and treated with cedar stain. See attached fence detail.
- Side Fencing on Pond Lots or Golf Course Lots to be Decorative Metal. Any desired privacy Screening should be in the form of landscaping plantings.
- Side yard fencing on Ravine Lots to be wood screen fencing as per the attached fence detail. Wood fencing should step down for 2 panels in .2m intervals to meet the metal fencing at 1.2 meters.

Landscape deposits will be returned once the front and rear yard landscaping is complete. The landscaping does not need to be completed by the builder, but the deposit will not be released until the landscaping is complete.

Landscaping must be completed within 12 months of occupancy.
